

Home learning activities

Numeracy

- 2D shapes hunt-Look around your house/garden/ go for a walk and write a list, ask an adult to write a list, draw pictures or take photos of the 2D shapes you can find. Circle, Triangle, Square, Rectangle, pentagon, hexagon.
- Now you have found 2D shapes around the house can you now do a 3D shape hunt. Look for a cube, cuboid, pyramid, cone and a cylinder.
- Pick 3 numbers between 1 and 20. Can you show these numbers in as many ways as you can think of? e.g. number 1 you could write the numeral, draw one circle, show one finger, one stick etc.
- Length- Collect different items from around the house and order them by length. Which is the shortest? Which is the longest. You could record this by writing what you have found, you could draw or write the items in order.
- Pattern hunt look around your house, go into your garden to see what patterns you can find. Talk about the shapes and colours used. Can you then make or draw your own pattern?
- Number bonds to 10 How many ways can you make 10? You can choose how you record your answers. You might want to draw pictures, do it practically and take photos or you might write some number sentences.
- Write numbers from 0-20 on small pieces of paper, mix them up, then can you put them back in the correct order. Or pick a number and say or write what one more and one less is.

Literacy

- Can you think of something beginning with each letter of the alphabet? You could write a word, draw a picture and ask an adult to help you write some words beginning with each letter. (or an adult could annotate your pictures)
- Rainbow letters- Get some different coloured pencils/ felt pens and practice writing each letter of the alphabet. Make sure you are forming each letter correctly.
- Have a go at practise writing some phase 2 tricky words using different colours- no, go to, the, I, into, he, she, we, me, be, was, there, little. Can you write these tricky words into a sentence?
- Word race- How many words can you write in 2 minutes? Get a tray of items or look around the room- how many different items can you see?
- Can you say and or write your own rhyming string or find some rhyming words in books?
- Nursery rhymes- Can you learn a new nursery rhyme? Look on the internet or in a book to find new rhymes you don't know already. Then draw a picture to represent the rhyme you have learnt.
- Reading challenge- how many stories can you share/ read in a week.
- Favourite story- Can you write down why you would recommend the book to a friend?
- If you have access to a computer you can access some of the games for free on phonicsplay- We are working on phases 2, 3 and 4.

Other areas of learning

- Can you beat the timer to get dressed? Pick 3 days and time how long it takes you to get dressed independently. Can you beat your time each time?
- All about me- Draw and write about some of your favourite things e.g. food, tv program, book-
- Get outdoors- Go into your garden and draw/ write about what you can hear, smell and see.
- Computer activity- use paint, word or an app of your choice to create a picture. Ask an adult to annotate your picture and write what you say.
- Get Active- Can you create an exercise routine for us to follow in PE? Use different ways of moving. E.g. 5 star jumps, walk on your tip toes, jog around, touch your toes 7 times.
- Use a computer, some books or ask an adult to help you to find some facts about your favourite animal.
